

The floor plan illustrates the layout of a hospital ward, specifically Ward 15. It is divided into two main sections. The left section contains patient rooms 15-2021 through 15-2025, a waiting area (Attente), a family meeting room (Salle de réunion), and a laundry room (linge propre). The right section includes patient rooms 15-2026 through 15-2031, a kitchen (cuisine), a dining area (salle à manger), and a terrace. A central corridor (Dégagement n°3) runs through the middle of the ward. The plan also shows a staircase (ESCALIER SUD) and a zone for electric recharging (zone de recharge des fauteuils électriques).
